WAAAAAAAAAAAAAAAAALL RIGHT

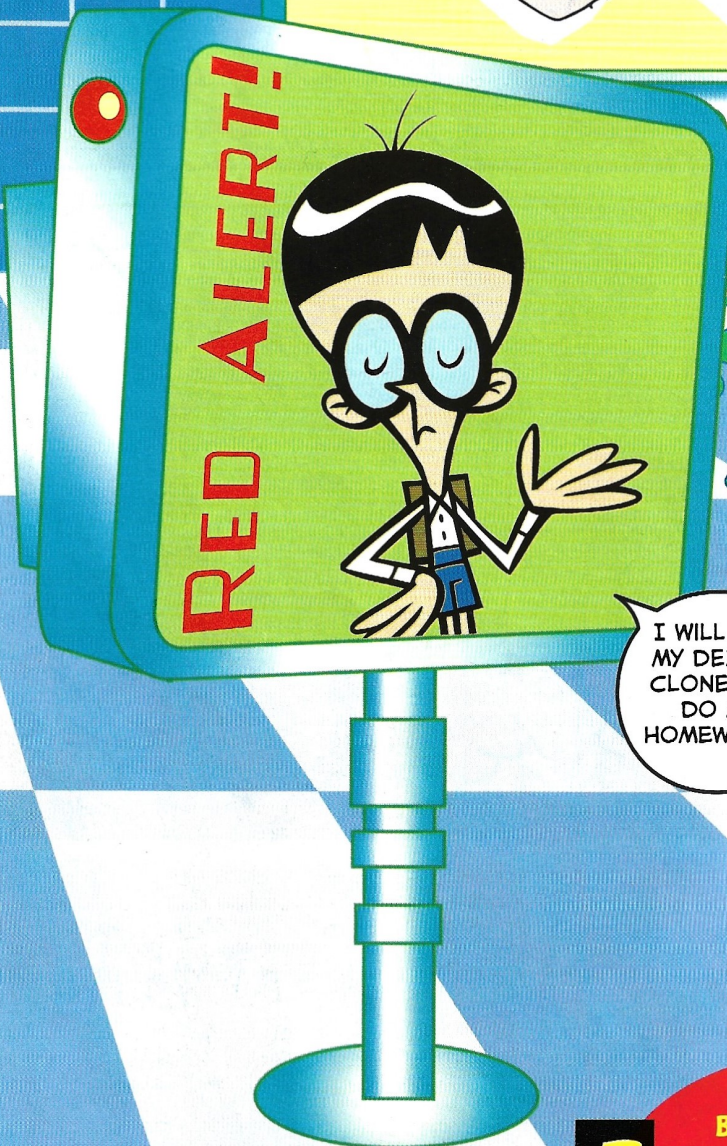

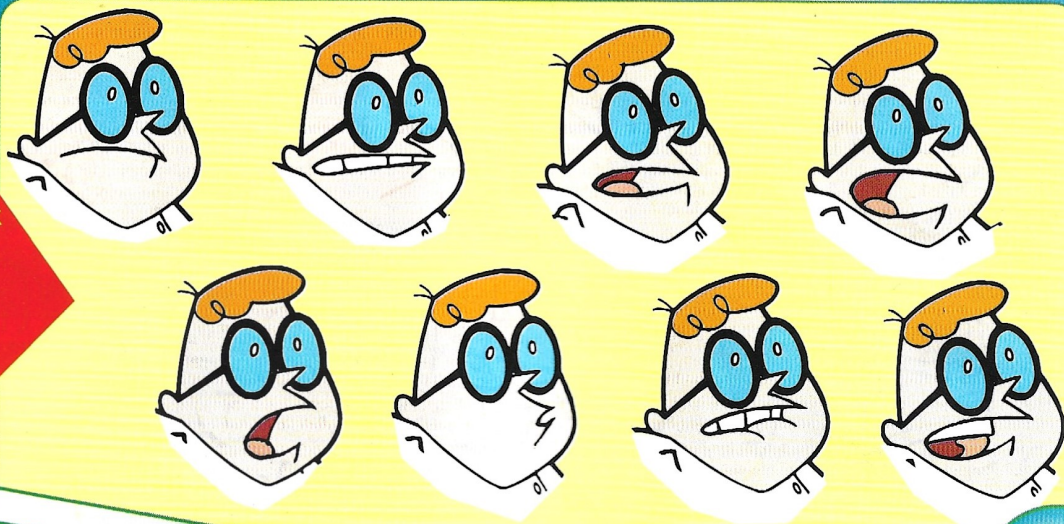

1

Oh no! Dexter's arch-rival, Mandark has been creating Clones of Dexter. Only one is an accurate copy, can you deduce which?

I WILL USE MY DEXTER CLONES TO DO MY HOMEWORK!

2

Dexter is receiving an important transmission from a mysterious source. Use the code below to help him figure out what it says!

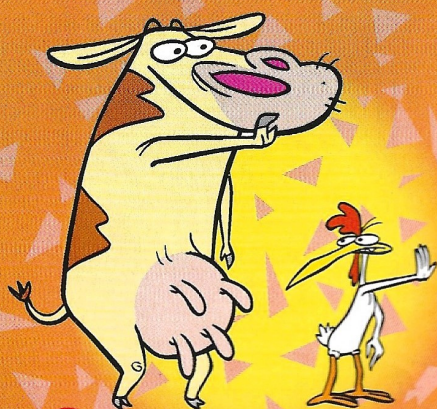

3

But let's look on the good side. Dexter has shrunk Dee Dee again and hidden her somewhere in his lab. Can you find her?

19

Who said that
there's nothing more
boring than dancing
with your sister?
Breaking with tradition,
Chicken assures us that no
other couple has more rhythm
and is in better sync than he
and his sister, Cow. Now all of you
can be Lords of the Dance with

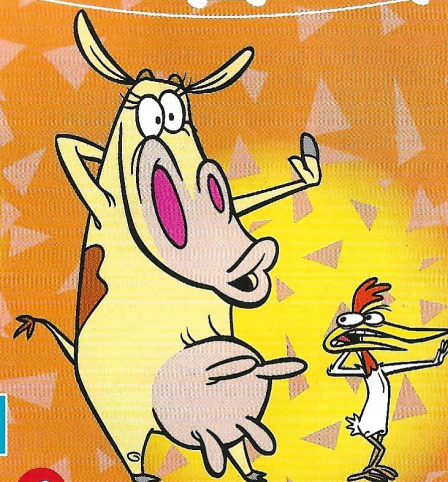

COW and CHICKEN™

1 Raise your right hand...

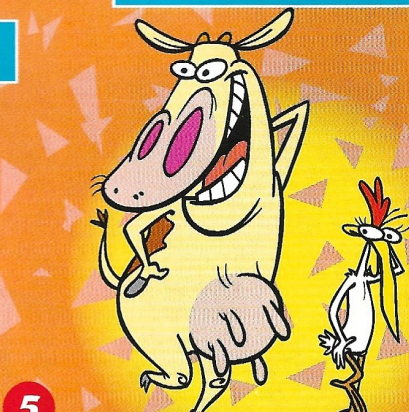

2 Now raise your left hand...

3 Put your right hand behind your head...

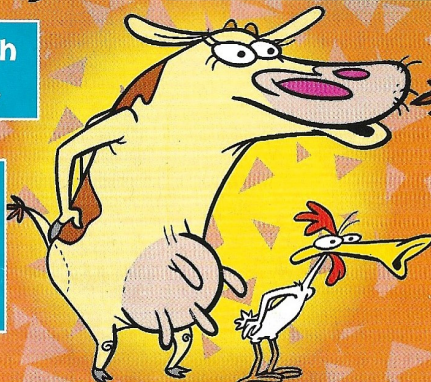

4 Do the same with your left hand...

5 Lower your right hand to your hip...

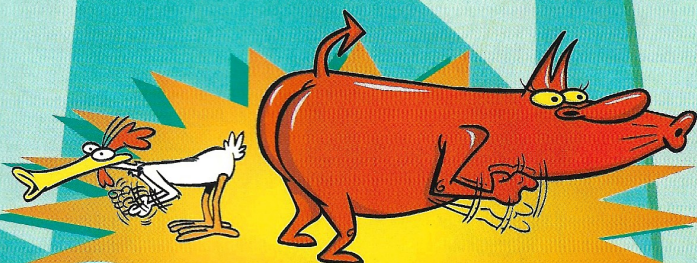

6 Lower your other hand until you are in this silly position...

7 Jump while spinning around 90° and when you land, shout, "OOOOAAA!!!"

Red is such a cool guy, if just a little strange. He's decided to teach Chicken a brill new jive!

SHAKE YOUR BOOTY!

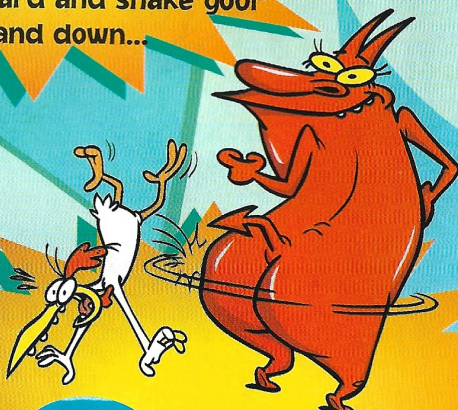

1

Bend forward and shake your hands up and down...

2

Shake your booty quickly to the right...

3

Now shake it to the left...

4

Turn your booty to the right again and move your arms in the opposite direction...

5

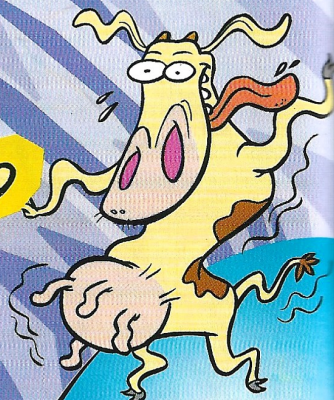

Now get in a little train with other people and try not to grab anyone else's tongue. Ouch!

THE MUDDYRIVER DANCE!

If you want to enjoy the ultimate dance experience you'll need a troupe of graceful, well-choreographed dancers (just like Cow) and an audience willing to pay through the nose.

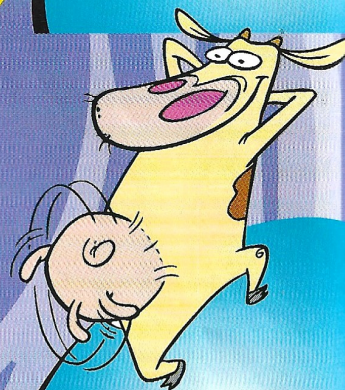

1. The Little "Bump-Bump" Step

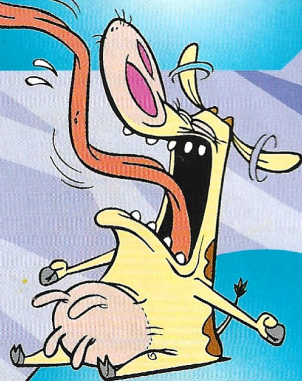

7. The Big Shake

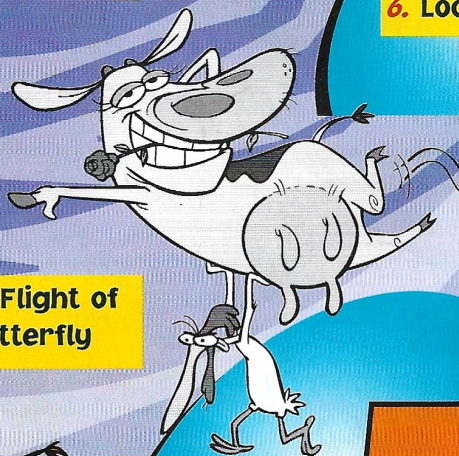

2. The Big Belly Flop

6. Loop the Loop

3. The Silly Snake Step

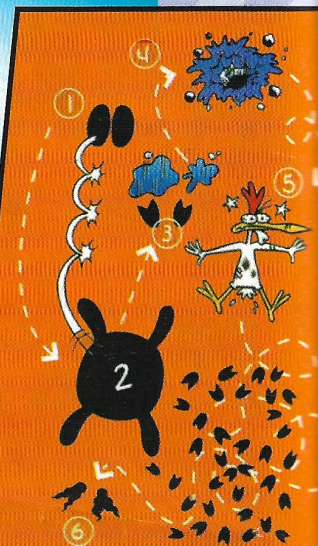

5. The Flight of the Butterfly

4. The Timid Ostrich

Follow the simple steps shown here and...not only will you see your name in lights but you'll be able to hire yourself out as a demolition expert, too!

HI!
MY BEST PAL,
BARNEY AND I ARE
HERE TO TEACH
YOU A FEW ART
TRICKS!

THAT'S RIGHT,
FRED! MAYBE WE'LL
GET AROUND TO
DRAWING ME
NEXT TIME!

THE FLINTSTONES STONE-AGE ART!

1

First draw 3 equal
sized circles. Fred
is 2.6 heads tall.

2

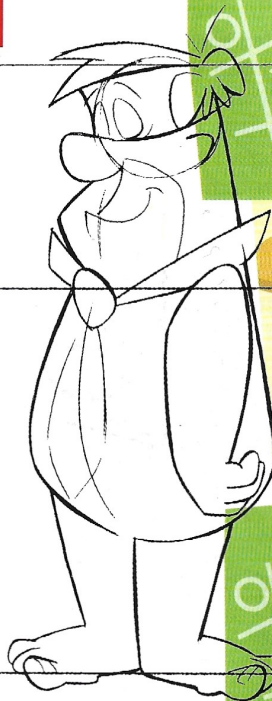

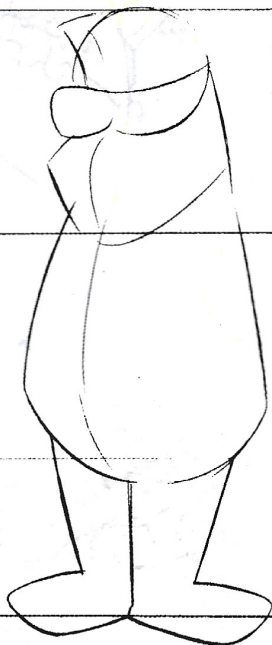

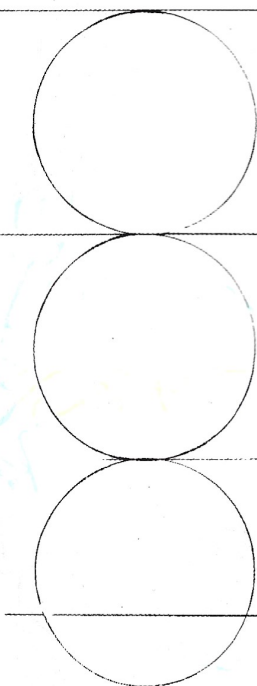

Sketch in the body,
head and leg
shapes, using the
circles as guides.

3

Now add the
arm, face and
other details.

4

With ink, trace over
the main lines,
adding the jagged
hem and spots on
Fred's famous shirt.

Tips

Try to capture Fred's long upper lip
and see how his bottom lip protrudes
over his upper lip!

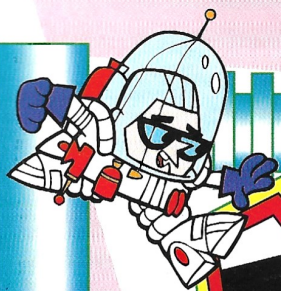

HEY!
WHO PUT
THAT LAST
BIT IN ABOUT
MY LIPS?

THAT'S IT,
RUBBLE!
WE'RE
THROUGH!

OOPS!
NETWORKED IS
OVER THE PAGE,
FRED! I JUST
GOTTA SEE
THAT!

BIRTHDAY COMP!

It's unbelievable, we know, but Cartoon Network actually has its 5th birthday on the 17th September 1998! Boy, it seems like only yesterday that we started transmitting the coolest of cool toons to the nation!

To celebrate this momentous occasion all Warner Bros. Studio Stores around the country are giving away 'Birthday Vouchers' to kids of 12 years and under who were born on 17th September. You'll need to provide proof of your birthday and the promotion runs from 5th September to 17th September. Don't worry if it isn't your birthday 'cos you can still pick up a special sticker from any Warner Bros. Studio Store!

To join in the fun, we here at the magazine have a tremendous competition for you all to join in. The first 10 kids who write in with proof that they were born on the 17th September will each win an exclusive Cartoon Network Birthday Fun-Pack that contains all sorts of surprise Cartoon Network goodies. You could win anything from a Cartoon Network Beanbag to a Scooby-Doo Plush Toy to a Cartoon Network keyring to a Cartoon Network mug. Each Fun-Pack will contain such cool items that you simply won't believe your eyes.

1 - Frank Sinatra singing Scooby-doo-by-doo in the song Strangers in the Night was the inspiration for the name Scooby-Doo!

2 - The famous basketball team, the Harlem Globetrotters made three appearances in The New Scooby-Doo Movies!

3 - William Hanna wrote the original Scooby-Doo theme!

4 - Famous horror actor Vincent Price appeared as Vincent Van Ghoul in an entire season of The 13 Ghosts of Scooby-Doo.

5 - Scrappy Doo's first appearance was in an episode that was originally transmitted on the 22nd September 1979. That makes him 19 years old next month!
